

HONDURAS

El Crucero

NICARAGUA

EL CRUCERO

El Crucero is located 30 minutes south of Managua, which is the capital city of Nicaragua. Nicaragua is considered the second-poorest country in the western hemisphere.

Partner with us, Cherry Hills Community Church, His Love Fellowship Church, Monte Calvario Church and a local El Crucero Church in serving the community of El Crucero, Nicaragua.

Community outreach through the Clinica Susie Syke with bible lessons, worship music, crafts, games, feeding program and medical/dental care for the needy.

FAMILY TRIP

JUNE 3 - 12, 2016

Come join us to serve the impoverished village of El Crucero in Nicaragua! Together we seek to bless the community through a multi-pronged outreach:

Children's ministry: 120+ children come to a vacation bible school program, including songs, crafts, lessons, and games. A lot of energy!

Women/mothers ministry: we seek to encourage and care for local women through bible studies, prayer and practical hand-crafts.

Teens ministry: if you have a heart for teen outreach, your skills are valuable! Teens in Nicaragua tend to suffer from depression and a sense of no opportunity, yet they show up when there's a crowd!

Our team also participates in several general community outreach efforts, including assisting in a weekly children's feeding program and a special day of providing food baskets to local families and praying with/for them. As needed, we also take on specific maintenance projects for the medical/dental clinic.

Cost \$1850 /Age 10 and up

INTRODUCTORY MEETING: THURSDAY, FEB. 25, 2016 7:00PM - 8:30PM, ROOM 298

MEDICAL AND DENTAL TRIP

SEPTEMBER 17 - 24, 2016

Experience a medical / dental mission trip to the Clinica Susie Syke which is founded and run by Project El Crucero, in El Crucero, Nicaragua. The mission trip is comprised of medical and non-medical team members. The primary focus of the trip will be to **show the love of Christ** by providing medical and dental care to the needy population around the clinic and surrounding villages.

There will also be an equally important focus to show love to the communities with games, crafts, music and a feeding program.

Medical Team: Alongside the local El Crucero doctor, assess and treat the people in remote villages as well as the locals that travel to the clinic.

Dental Team: Assist the El Crucero dentist with the emergent and routine dental hygiene needs of the people.

Maintenance/Construction Team: Continue the project work at Clinica Susie Syke of the previous mission teams.

Education Team: Facilitate basic medical classes (CPR, wound care, nutrition, poison control, infant care, etc) as dictated by the director of the clinic.

Cost \$1900 /Age 18 and up

INTRODUCTORY MEETING: THURSDAY, FEB. 25, 2016 7:00PM - 8:30PM, ROOM 298
