Family Story

"Hello, my name is Pauline. This is my story. When I was 16 years old, I met the man who became the father of my son. We were together for three years, but due to problems with infidelity, we separated a year ago. During this time, my son and I have been living with my parents, but it is a very small space for all of us to live in. I work in a factory but it pays very little, and I have not had the resources to be able to build a home for myself and my son. Thankfully, my mom gave me a piece of land. I sought the help of Pastor Martin in hopes of someday having a house on our land. I hope that you can help us. Thank you."
